IMPORTANT FEATURES

We would like to draw your attention to some important features of your insurance including:

1 INSURANCE DOCUMENT

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

2 CONDITIONS AND EXCLUSIONS

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

3 HEALTH

This insurance contains restrictions regarding pre-existing medical conditions of the people covered under this policy and of other people upon whose health the trip depends. You are advised to read the document carefully.

4 PROPERTY CLAIMS

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.

5 LIMITS

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

6 EXCESSES

Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section.

7 REASONABLE CARE

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

8 SPORTS & ACTIVITIES

You may not be insured if you are going to take part in sports & activities where there is a generally recognised risk of injury. Please check that this insurance covers you, or ask us.

9 CUSTOMER SERVICE

We always try to provide a high level of service. However, if you think we have not lived up to your expectations, please refer to the wording which outlines our customer service & complaints procedure.

10 CANCELLATION RIGHTS

This insurance contains a 14 day 'cooling off' period during which you can return it and get a full refund, providing you have not travelled and there are no claims. We reserve the right to deduct from the rebate of premium the reasonable costs incurred in processing the original sale and cancellation.

11 FRAUDULENT CLAIMS

It is a criminal offence to make a fraudulent claim.

- g. disinclination to travel.
- h. failure to obtain the necessary passport, visa or permit for your trip
- i. the cost of this policy.

DATA PROTECTION ACT 1998

We will collect certain information about you in the course of considering your application and conducting our relationship with you. This information will be processed for the purposes of underwriting your insurance cover, managing any insurance issued, administering claims and fraud prevention. We may pass your information to a qualified medical practitioner, other insurers, reinsurers, other parties who provide services under policy and loss adjusters for these purposes. This may involve the transfer of your information to countries which do not have data protection laws. You may have the right of access to, and correction of, information that is held about you. Please contact our compliance officer to exercise either of these rights. Some of the information may be classified as 'sensitive' – that is information about physical and mental health and employment records. Data protection laws impose specific conditions in relation to sensitive information including, in some circumstances, the need to obtain your explicit consent before the information may be processed. By finalising your insurance application, you consent to the processing and transfer of information described in this notice. Without this consent we would not be able to consider your application.

PERIOD OF INSURANCE

If you have paid the appropriate annual multi trip travel insurance premium and you are under 75 years old, the overall period of insurance shall be for 12 months starting from the date shown. This insurance then covers an unlimited number of holiday/leisure trips starting within that period, provided that no single trip is intended to be for longer than the maximum number of days shown in the benefits schedule for the cover you have bought. Wintersports are covered up to the total number of days shown in the benefits schedule.

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your home country at the start of your trip, and finishes as soon as you return to your home or place of business in your home country for any reason.

If you have paid the appropriate longstay travel insurance premium, this insurance allows you to return to your home country for short term visits of up to two weeks, as long as they are not subject to a claim. Cover is temporarily suspended for the duration of these visits.

You are only covered for the period for which a premium has been paid and in any event the total period of any one trip must not exceed the period shown in the benefits schedule. For cancellation only (section 1), cover starts from the date shown on your certificate or the date you book your trip, whichever is the later.

If you are going on a one-way trip all cover will finish 48 hours after your arrival in the country of final destination. If your return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

CANCELLATION RIGHTS

We hope you are happy with the cover this policy provides. However if after reading this certificate, this insurance does not meet with your requirements, please return it to the issuing agent, within 14 days of receipt and we will refund your premium.

We reserve the right to deduct from the rebate of premium the reasonable costs incurred in processing the original sale and cancellation.

We shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document by sending 14 days notice to you at your last known address. Provided the premium has been paid in full, you shall be entitled to a proportionate rebate of premium in respect of the unexpired period showing on the insurance.
